

PLEASE ADOPT me!

Cashmere has so much love to share,
please give her a chance!

CASHMERE

Cashmere is a super sweet, loving little girl who will absolutely steal your heart!

- **Adorable little sweetheart!** She loves attention and being gently petted on her forehead
- Very **outgoing and affectionate:** she will come right up to you and hop right into your lap
- **Super silly!** She is very playful and loves to play with toys and explore her surroundings; she will keep you entertained with her goofy antics!
- She is **soooooooo soft**, just like her name!
- Would do best as an only bun or housed separately from other buns
- 5.5 years old, neutered, litterbox trained, RHDV2 vaccinated and microchipped
